### Key to Scope 3 data

#### Source of data

- Derived from data that is within our direct control or that we can more easily verify
- Derived from data that is not within our direct control or that is more difficult to verify
- Not applicable

#### Status of data

- Most secure – Good quality data / confidence in estimations
- Less secure – Some work to do to verify data quality / reasonable reliance on industry estimations
- Least secure – More work to do to verify data quality / higher reliance on industry estimation / assumption
- Not applicable
